

The Friends of the Croatian Cultural Center, Incorporated Membership Application

Thank you for your interest in joining the Friends of the Croatian Cultural Center, Inc. We are pleased and honored by your decision to join this very special organization that is devoted to extending the Croatian Culture to everyone interested in learning about Croatia and its time honored traditions and culture.

The Croatian Cultural Center is dedicated to educating the general public about the rich and diverse cultural heritage of Croatia. Our vision is to engage not only people of Croatian-American descent, but all people with a desire to participate in our activities, events, classes and fundraisers. The Center is dedicated to embracing the local residents of San Pedro, along with the greater Los Angeles area by partnering with the local community organizations and our current 15th District Councilwoman, Janice Hahn and her representatives.

The Croatian Cultural Center will offer a variety of programs for the community's participation and enjoyment, including: Croatian language classes, traditional folk dance classes, exhibits by Croatian artists, film festivals, and lectures on topics related to Croatia. We will also partner with local community outreach organizations, merchants, churches, elected officials and other ethnic associations to represent and re-enforce the power and positive influence of diversity in the community.

As a member you will receive periodic newsletters along with discounts on events, classes, activities associated with the center, and purchases at our gift shop. Membership privileges also include priority library considerations and a considerable discount on center rentals for parties, meetings, and other special events.

Applicant Information

Please complete the information on this application and return it with your membership fee.
